Limited review report on unaudited quarterly standalone financial results of Mac Charles (India) Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing obligations and Disclosure Requirements) Regulations, 2015

To
Board of Directors of Mac Charles (India) Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Mac Charles (India) Limited for the quarter ended 30 June 2020 (“the Statement”).
2. This Statement, which is the responsibility of the Company’s management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “*Interim Financial Reporting*” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*” issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

B S R & Associates LLP

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes (continued)

7 In March 2020, the World Health Organisation declared COVID-19 to be 'the pandemic'. This pandemic has resulted in disruption to regular business operations due to lockdown, disruptions in transportation, travel bans, quarantines, social distancing and other emergency measures imposed by the government. The Company has adopted measures to curb the spread of infection in order to protect the health of its employees and ensure business continuity with minimal disruption. The Company believes that the COVID 19 pandemic will only have a short term impact on its operations and growth plans and after easing of the lockdown restrictions, the business is expected to return to normal.

Further, owing to the discontinuance of the hotel operations of the Company during previous year, which was the single largest segment of the Company's business, the Company has evaluated its ability to sustain its operations in the foreseeable future. Considering net positive cash flows projected from continuing operations in the foreseeable future, market value of the land owned by the Company, continued committed financial support from the Holding Company and access to lines of credit, Management believes that the Company will not have any challenge in meeting its financial obligations for the next 12 months from the date of the standalone financial results.

The actual impact of the global health pandemic may be different from that which has been estimated, as the COVID -19 situation evolves in India and globally. The Company will continue to closely monitor any material changes to future economic conditions. However, the pandemic did not have any material impact on the financial result for the year quarter 30 June 2020.

Limited review report on unaudited quarterly consolidated financial results of Mac Charles (India) Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing obligations and Disclosure Requirements) Regulations, 2015

To
Board of Directors of Mac Charles (India) Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Mac Charles (India) Limited (“the Parent”) and its subsidiaries (the Parent and its subsidiaries together referred to as “the Group”), for the quarter ended 30 June 2020 (“the Statement”), being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (‘Listing Regulations’).
2. This Statement, which is the responsibility of the Parent’s management and approved by the Parent’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “*Interim Financial Reporting*” (“Ind AS 34”), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of Airport Golf View Hotels and Suits Private Limited, Neptune Real Estate Private Limited and Blue Lagoon Real Estate Private Limited.

B S R & Associates LLP

5. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.
6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
7. We did not review the interim financial information of the three subsidiaries included in the Statement, whose interim financial information reflect total revenue (before consolidation adjustments) of Rs 7.81 million and total net loss after tax (before consolidation adjustments) of Rs 1.63 million for the quarter ended 30 June 2020 as considered in the consolidated unaudited financial results. These unaudited interim financial information have been reviewed by other auditors whose reports have been furnished to us by the management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these three subsidiaries, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matter.

Notes (continued)

- 7 In March 2020, the World Health Organisation declared COVID-19 to be 'the pandemic'. This pandemic has resulted in disruption to regular business operations due to lockdown, disruptions in transportation, travel bans, quarantines, social distancing and other emergency measures imposed by the government. The Group has adopted measures to curb the spread of infection in order to protect the health of its employees and ensure business continuity with minimal disruption. The Group believes that the COVID 19 pandemic will only have a short term impact on its operations and growth plans and after easing of the lockdown restrictions, the business is expected to return to normal.

Further, owing to the discontinuance of the Hotel operations of the Group during previous year, which was the single largest segment of the Group's business, the Group has evaluated its ability to sustain its operations in the foreseeable future. Considering net positive cash flows projected from continuing operations in the foreseeable future, market value of the land owned by the Group, continued committed financial support from the Holding Company and access to lines of credit, Management believes that the Group will not have any challenge in meeting its financial obligations for the next 12 months from the date of the consolidated financial results.

The actual impact of the global health pandemic may be different from that which has been estimated, as the COVID -19 situation evolves in India and globally. The Group will continue to closely monitor any material changes to future economic conditions. However, the pandemic did not have any material impact on the financial result for the quarter ended 30 June 2020.
